Entrance Requirements

Prior to enrolling in the program, all applicants must furnish: (1) an original form of government-issued identification (e.g., driver's license, state-issued non-driver identification card, birth certificate, passport, etc.) providing evidence of being at least 18 years of age, and (2) evidence of possessing a high school diploma or high school equivalency (HSE) diploma.

Tuition and registration fees must be paid at the time of registration and received no later than three (3) days before the first class. ***THERE IS NO INSTALLMENT PLAN AVAILABLE.***

NOTE: Criminal convictions may affect a student's ability to be licensed.

Enrollment Procedures

Students may request an enrollment agreement by calling or visiting the school by appointment during administrative office hours. To complete enrollment, students must meet with the School Director to review and sign the enrollment agreement and complete financial arrangements. When enrolled, a student will be accepted into the next available offering of the program.

The school does not accept credit for previous training.

Attendance Policy

The Maryland Real Estate Commission requires successful completion of 60 clock hours to be eligible for taking the Real Estate Salesperson–National and Real Estate Salesperson–State examinations. Therefore, students must attempt to attend every session. Arriving more than 10 minutes late or leaving more than 10 minutes early will count as a full clock hour of absence.

There is no attendance probationary period.

A student must complete 60 clock hours, at a minimum 80% attendance rate, with no more than 12 clock hours missed and made up and pass the final examination with a grade of 75% or better in order to successfully complete the program.

A student’s attendance will be evaluated and reported in writing to students at the end of each week. If a student has missed 4 clock hours at the end of any week, the student will be counseled by the School Director.

If a student misses more than 12 clock hours, the student will be dismissed from the program.

The school does not have a leave of absence policy.

Make-Up Policy

An additional 12 clock hours is built into the program schedule to accommodate make-up days – three (3) make-up sessions immediately following the fifteen (15) regular sessions. Hours missed cannot exceed 12 clock hours and ***must be made up on the designated class days before the scheduled end date of the program*** as indicated in the enrollment agreement. Students must contact the School Director to arrange for makeup of missed time and academic assessments up to a maximum of 12 clock hours.

Grading System

Letter Grade	Grade Scale	Academic Assessments
A	95-100%	4 Quizzes
B	85-94%	1 Mid-Term
C	75-84%	1 Final Exam
F	0-74%	

To successfully complete the program, a student must have earned a minimum cumulative average of 75% on all quizzes and the mid-term (i.e., the average of the five assessment grades must equal 75% or better) and a minimum score of 75% on the final examination. Students are also required to complete 60 clock hours of instruction with no more than 12 clock hours missed and made up. Grade records and daily attendance will be maintained on the student’s permanent record card for as long as the school exists.

Due to the compressed schedule of the 8-session program dates (i.e., 8 hours of instruction per day), the quizzes will be provided as take-home assessments, graded and reviewed in class, and maintained by students as study aids. Students must still earn a minimum score of 75% on the final examination to successfully complete the program. All other requirements for 60 clock hours of instruction, no more than 12 clock hours missed and made up, and attendance still apply.

Satisfactory Academic Progress

Students' academic progress will be evaluated through the administration of four (4) graded quizzes, one (1) mid-term examination, and one (1) final examination. Students must attempt each assessment (i.e., quiz, the mid-term, and the final exam).

The four (4) quizzes and one (1) mid-term will only be administered once for all students. ***There are no re-tests or make-up assessments for the quizzes or mid-terms.*** Grades from the quizzes and mid-term examination will be communicated to the students by the instructor at the beginning of the class immediately following the testing. The instructor will counsel students who do not earn a minimum cumulative average of 75% on the first two quizzes. Students must have earned a minimum cumulative average of 75% on all quizzes and the mid-term to sit for the final examination. If a student has a cumulative average below 75%, they will be dismissed from the program.

Due to the compressed schedule of the 8-session program dates (i.e., 8 hours of instruction per day), the quizzes will be provided as take-home assessments, graded and reviewed in class, and maintained by students as study aids. Students must still earn a minimum score of 75% on the final examination to successfully complete the program.

Grades from quizzes, mid-term examination, final examination, and final grade average will be recorded and maintained in the official student transcript. ***If a student fails the final examination, there will be an opportunity to re-take the exam by scheduling an appointment with the instructor for the re-examination during the designated make-up days.***

Graduation/Completion Requirements

1. Complete all 60 clock hours of training, at a minimum 80% attendance rate, with no more than 12 clock hours missed **and made up** by the scheduled end date of the program.
2. Achieve a minimum cumulative average of 75% on all quizzes and the mid-term, and a minimum score of 75% on the final examination. ***(If a student fails the final examination, there will be an opportunity to re-take the exam by scheduling an appointment with the instructor for the re-examination during the designated make-up days.)***
3. Financial obligations to school satisfied.

A certificate of completion is awarded upon successful completion of the program.

Readmission Policy

Students who have voluntarily withdrawn from the school's program prior to its completion or who were terminated from the school's program due to unsatisfactory attendance or academic progress may reapply to be accepted into the program. However, no credit will be granted for any previous training.
